PRESIDENT'S NOTES

This being my last comments, I would like to thank my fellow officer's for their support for the last four years.

I believe that it is time for a change, new ideas and a different way of doing things is good.

Remember that the new officer's are going to need all of our support to continue growing and be successful.

See you all at the meeting to vote in the new nominees.

Howdy LARC Members, Hope ya'll are doin well. As usual I'm one of the late birds with my part of the Newsletter, and Mr. Frank has to get the Newsletter out so here goes.

These are some of the **things that have happened**,,,

May 21st. was a choice between the **Blanco Car Show** or the **Car Show in Cottonwood Shores**, I picked Cottonwood because I felt that they needed as many cars as possible, this being their first show, and to get it off and running, It was a charity for the volunteer fire department, Me and my trophy bride along with Ron A. Gerald H and his lovely bride Laura, Clif and Keri T. and Shiloe had a great time, people were very friendly, food was good and we all won beautiful custom made trophies, Gerald also won Peoples Choice. Can't get no better than that huh?

Other club members went to Blanco and they will tell about that Show at the next meeting...

May 22nd. We and the Webers put on our **Car Show and Club Appreciation Dinner**. mostly all of it was the Webers !!!!!, cuz they did everything, Don started cookin at midnite in his jammies and I was sleepin so it was MOSTLY ALL the WEBERS.. Great times with great friends and golly gee we got some ladies in our club that can cook, A big thank you to the Webers and all the people who participated. Can I get a big AMEN ya'll.....AMEN...

Events coming up....

May 28th. is **Heroes Night Out**, This the 5th.year and has gotten so big that they have moved it to a larger park. more about that at the meeting....

June 4th. is the **Heartland Rod Run** in Brownwood, 8 am registration 3pm awards....

June 11th. is our event in Burnet with "**Our Very Own Special Parking by the Train Station**" to help the **Burnet County Fair** with our club cars displayed, As usual the Train will arrive between 11:30 and 12 o'clock

our arrival time will be before 9am. this is a payed event so let's all try to make it a good event for them and us.....

June 17th.Friday will be a little cruise in at the **Gateway Assisted Living Home**, to visit and eat with the folks. time of arrival will be emailed.

June 18th. is the **Annual Marble Falls Soap Box Derby** and we have our own parking spot on Main st. This is about as much fun to see as anything happening, plus there's lots to do in Marble Falls on this week-end.....

I can't think of anything else so I done, ...

upps guess I'd better remind you of the **meetin at the library on the 14th. at 7pm**, probably eat at Bill's Goodbye

EDITOR'S CORNER

For your friendly editor, the move of Friday Night Fever to the Town Square in Burnet was great. Thank you to Cecil Atkission Motors for hosting our events. The massive live oak trees on the east side of the square furnishes very welcome shade and will provide great relief during the oncoming hot summer and fall months. In addition, the Ultimate Grounds Coffee Shop is just around the corner and the folks there are very hospitable. Why not drop in and see the hood scoop that we all signed during our March meeting. It is proudly displayed on their wall, and the dining room is decorated with a nostalgic theme. Go see all the old license plates they gathered for decorations. Support a good cause.
