## PRESIDENTIAL NOTATIONS

Season Greetings all, first of all I wanted to wish everyone a Merry Christmas and Happy New Year.

Hey, did I mention Flu season is here YAY..... oh yes it has made its rounds in our house of course.

Yep, just in time for our family vacation out of state, it was AWESOME. I hope everyone else is staying away from the flu. I'm not real sure to tell you what clothes to pack up or leave out with this crazy weather, but maybe you have adjusted to it by now.

That's all for me. Can't wait to catch up with you next year. I hope 2020 will treat us as kind as possible.

See ya soon,

justin

## DID WEST SAY THAT??

### What We Did

Of course, **Breakfast at Mama's** in Burnet every Wednesday morning!

**Wednesday, November 27<sup>th</sup> : Breakfast at Mama's** in Burnet.

**Wednesday, December 4<sup>th</sup> : Breakfast at Mama's** Café in Burnet.

**Friday, December 6<sup>th</sup> : LARC Steak Night** at the Eagles, Granite Shoals. Everyone feeling the spirit of the Season!

**Saturday, December 7<sup>th</sup> : LARC Cruise In** at SSB&T on US 281 in Marble Falls. Continues to be a great location with good visibility for passing traffic.

**Wednesday, December 11<sup>th</sup> : Breakfast at Mama's** Café in Burnet. Sorry I missed a couple of these!

**Saturday, December 14<sup>th</sup> : LARC Christmas Party** at Meadowlakes! We had a great turn-out and everyone had a great time! The food was super, always important to LARC! The Chinese Gift Exchange was a blast, and thanks, Mark, for not stealing my stool, after I stole it, but, but, someone really wanted that banner that YOU stole! And, if I never see a certain someone in those red bloomers again, I will die a happy man! LOL! [Ed. Note: Look in Christmas Party pics in this issue( p.6), West], And thanks, Ron Adwers, for the great photos you took!

**Wednesday, December 18<sup>th</sup> : Breakfast at Mama's** Café in Burnet. I got back again and enjoyed my breakfast taco, 15 cups of coffee and some great conversation.

**Friday, December 20<sup>th</sup> : LARC Steak Night** at the Eagles in Granite Shoals. Made it back for this also, and ate more than I should have! We had a very good turnout, and if you are not showing up for this, you should!

**Saturday, December 21<sup>st</sup> : LARC Saturday Night Cruise In** at SSB&T on US 281 in Marble Falls – we filled up the parking lot! (Thanks Mark) and had a beautiful evening for this, if a bit cool! We had Stanley Martin FINALLY show up for one of our events, with a beautiful Tri-Five Chevy. Stanley is a part-timer in Highland Haven, and not yet a LARC member, but I keep trying to get him to join. Jack was there with his Vette, and he and Stanley got to talking about all the people they know in common from the Midland-Odessa area!

With winter getting here, we are switching back to **ONE Cruise In a month**, on the **FIRST Saturday** of each month. There will be no Cruise In on the third Saturday until further notice.

### What's Coming Up

### EDITOR'S CORNER

There will likely be no published minutes for the December 2019 meeting (Note to self: There was no meeting, Dummy!! Second note to self: Must remind Secretary to submit minutes from Christmas Party.)

West Pearson, our indomitable Activity Director has mentioned that due to the bad weather during the Winter months, that the Saturday Night Fever show and Shine will be held only on the 1st Saturday of the month, until the weather improves.

We will however, continue to meet each Wednesday at Mama's for breakfast, ostensibly at 8:00 AM, but better get there by 6:30 AM in order to get a seat at the table (well, it seems like 6:30 for those who like to sleep in), but most are seated by 7:30 at the latest.

Justin our Esteemed President, mentioned the rigors of the flu season. Those of us who live in the boon-docks have noticed that the cedar (ashe juniper) trees look more rust red or yellow than their usual green. Yesterday, it started. The male trees exploded with yellow pollen, giving any clean car a nice yellow dusting. Get out the California dust mop, dust the car(s) daily, and expect to sneeze, have watery eyes, and the screaming sniffles. Cedar allergies are with us, alive and well.
