## PRESIDENTIAL NOTATIONS

Well hello again from my not so isolated world. I wish I could be isolated, but sadly my job will not allow it. I hope everyone is holding up from this madness we are all so sick of. This is definitely a time to think about others, rather than yourself. I have several friends who are small business owners and this is beginning to take a toll on their families more than most. Like everything else this too shall pass, once it's ran its course. Please kind to one another, have a little more patience and all will be good. Our April meeting is still not a for sure deal, but we have folks looking into it and doing their best. I am sure an email will be posted with an update as soon as the breaking news is released. Thanks again for your understanding and patience.

Yours truly,  
Justin

## **DID WEST SAY THAT??**

Our Activity Director West Pearson, doesn't have much to say for this issue due to the Corona virus. The virus has thrown our entire society into chaos and frozen nearly all our outside activities. We have essentially been told to restrict ourselves to our houses, freezing out nearly all of our joyful activities, such as those of our Club.

In case you haven't had a chance to see it, West did send out a note regarding our monthly Membership Meeting for April

### **LARC:**

**At this time, the Marble Falls Library is closed to the public, due to precautions to guard against the COVID19 virus. This INCLUDES the meeting room where we have our meetings. Our next meeting would be April 14, 2020. Speaking with the library today, I told them I will check back with them BEFORE the 14th to see if the situation has changed.**

**As with so many other things right now, we just have to take this a day at a time!**

### **West**

The April calendar of events will be left blank, except for a possible Membership Meeting, and scheduled events for May will be left as tentative until further notice from our Activity Director.

## **EDITOR'S CORNER**

(He's restricted to it due to the lockdown, in his little shelter)

Please, stay healthy, maintain "social distancing" (such a politically correct term), and do your best to "shelter in place (another politically correct term for stay at home or hunker down). Let's keep the Highland Lakes area relatively free of the virus.

When you go to HEB, Wal-Mart, or other grocery stores, please remember to thank the folks working there for all the hard work they are doing to keep us supplied with essential foods. Believe me, they will appreciate a good word from you. Some ungrateful, panicked folks have been verbally abusive to them. There is a case in the area where a "customer" physically assaulted a cashier. One can hope that person was arrested for assault, and is currently being fed and housed as the guest of a county jail.

Please, be kind to one another, and pray to God for this scourge to pass. We'll get through it. Use the phone, stay in contact with friends and loved ones, and call that friend you haven't talked to for a long time. Wash your special car, work in your garden, take a walk, read a book, and use hand sanitizer. Don't let the media get you down. Remember their motto "if it bleeds, it leads".

On Monday, April 30, 2020, President Trump announced a nationwide "lockdown" until the end of April 2020 (if anyone has more correct data or announcements, please let the other Members know).
