## PRESIDENTIAL NOTATIONS

Well, I wish I could tell everyone I had some good news, but from where I sit it's all the same. I know there are several events that were canceled that are trying to reschedule. Hopefully everyone can start getting their classics back out, and return to normal.

Just a reminder that our Club dues are due again. Please contact our wonderful Treasurer by phone text or email if you can. I am sure she will be a busy little bee at our next monthly meeting collecting from the group. That's about it from me.

See y'all soon

Justin

## DID WEST SAY THAT?

**May 2nd, Saturday – LARC Saturday Night Cruise In** is back! I'm avoiding the term "**Saturday Night Fever**" for obvious reasons LOL! We had a good turn out with about a dozen cars at Security State Bank and Trust on US 281 in Marble Falls. Announced that we will again do these twice a month, on the first and third Saturday of each month

**May 6th, Wednesday – LARC Breakfast** – no, not at Mama's, at **Smithwick Castle**! Jim and Laura hosted this, and there was a good turnout with 12 or 14 people. Great food and great to get the group back together again! Thanks!

**May 8th, Friday – LARC** was represented at the **Friday Cruise in on the Square in Llano**, hosted by the **Oldies But Goodies Car Show and Social Club**. They have started this weekly cruise in up again, with City of Llano approval. They officially start at 6:30, but some show up earlier, and LARC members seem to get there about 5:30, as most have a longer drive than the Oldies club members! Restaurants on the Square are open again, so get something to eat and enjoy the evening!

**May 13th, Wednesday – Another LARC Breakfast at Smithwick Castle**. This club has some great people, and Jim and Laura are **some of the best**! Good turnout, good fellowship, can't beat that!

**May 16th, Saturday – LARC Saturday Night Cruise** in at SSB&T on US 281 in Marble Falls. Another great turnout – people are ready to get out and enjoy cars and friends! Had a good number of non-club people stop by, and probably got some new members! There are quite a few cars in the area that do not know about LARC.

**May 20th, Wednesday – no breakfast, but Mama's** will host again at 9AM, on the 27<sup>th</sup>, in a trial to see if they can do this under current circumstances.

**May 22nd, Friday – Friday Cruise in on the Square in Llano**, hosted by the Oldies But Goodies Car Show and Social Club. They had a GREAT turnout, with over 20 cars. Richard announced that their club has city approval to have their show at Badu Park on July 4<sup>th</sup>!

**May 27th, Wednesday – LARC Breakfast at Mama's** in Burnet! Mama's had a trial to see if they could do this under the current circumstances. We did it at 9AM instead of our usual earlier start. While we had a great time, Mama's determined they just couldn't do this until things change. They just have too much trouble getting staff in for just this group, and they probably had some concern about the lack of "social distancing". We hope to get this going again in the future, and **we sure appreciate Mama's giving this a shot!**

### What's Coming Up

**May 31st, Sunday – LARC** will have a "**Birthday Drive By**" for a young boy in Cottonwood Shores, weather permitting. We are getting into our summer routine of "possible thunderstorms"! Hope we can pull this off.

**Listing events that are "available", we will judge interest:**

**June 5th, Friday – Friday Cruise in on the Square** in Llano, hosted by the Oldies But Goodies Car Show and Social Club. Get there about 5:30, get something to eat on the square and enjoy the evening!

**June 6th, Saturday – LARC Saturday Night Cruise In** at SSB&T! Bring your car, bring your chair, and enjoy the evening – You get to watch every diesel pick-up that drives by rev their engines! LOL! 5PM-7PM

**Also, same day —Stephanie Nichols Saturday Cruise In** at Pok-E-Joes, 610 N. Austin Avenue, Georgetown. 5:30PM - ? Those that are closer to this event may want to attend this afternoon/evening event!

**June 12<sup>th</sup>, Friday—Friday Cruise in on the Square** in Llano, hosted by the Oldies But Goodies Car Show and Social Club. Get there about 5:30, get something to eat on the square and enjoy the evening!

**June 13th, Saturday – Cody Car Show, Kerrville Indoor Car Show** at the Hill Country Youth Event Center, Kerrville (3785 Hwy 27, Kerrville, Texas). I went to this show last year, and it was a good show! 8AM – 5PM (I believe awards are earlier, this is a fundraiser event). Registration is \$25, with “Top 30” awards. They had nice trophies last year! They have breakfast and lunch available (lunch last year was a BBQ plate for \$10). Kids activity center, silent auctions, etc.

**Friday, June 19th – Catfish Dinner at the Eagles** in Granite Shoals! Their first dinner during the Texas opening phase! 5PM - ?

**June 20th, Saturday - LARC Saturday Night Cruise In** at SSB&T! Bring your car, bring your chair, and enjoy the evening – You get to watch every diesel pick-up that drives by rev their engines! LOL! 5PM-7PM. [Ed. Note: What does a black smoking diesel sound like? **BLLAAAAATTTT!!**]

**June 21st, Sunday—LARC Show and Shine** at Smithwick Castle, 12615 Ranch Rd 1431, Marble Falls, TX 78654. Details to follow.

**June 26th, Friday – Friday Cruise in on the Square** in Llano, hosted by the Oldies But Goodies Car Show and Social Club. Get there about 5:30, get something to eat on the square and enjoy the evening!

## **EDITOR'S CORNER**

(He's ain't so restricted as before, just careful, outrageous but not contagious)

HOORAY!! - We're back in business! Now we have some events to report on and schedule, and pictures!! West, our Activity Director, has excelled in putting together an upcoming series of events and get togethers that is sure to keep away the lockdown blues

Your Fiendly Editor will add events to the calendar of the Newsletter as West finds events that are being resumed, and can be attended safely. The breakfasts and Saturday show and shines at the SSB&T are breaths of fresh air!

Someday, the politicians in other states may graciously give their permission for folks to venture out of their burrows. I'm glad we live in Texas, rather than New York, Michigan, Minnesota, California, etc. It is likely that the current burning of cities (Minneapolis, etc.) can in part be due to people going nuts, staying imprisoned indoors, told to stay locked down. We as a nation, may pay a steep price in the increase in suicide rates, domestic violence, addiction, alcoholism, unemployment, and isolation. We should be thankful that we live outside the large urban areas, where we can exercise a few more freedoms than those imprisoned in the cities. Just my opinion. God Bless Texas!!

Most of us members are in the most vulnerable age group. Let's just exercise common sense, and stay safe. **Wash those hands.**

Wonder how many folks use a public bathroom, carefully wash their hands, dry them with a paper towel, throw the towel in the trash basket, then wrap their hands around the door knob, handling a contaminated knob with what were clean hands? Who knows how many unwashed hands were wrapped around that knob before you? Just sayin'.

## **STAY HEALTHY!!**
