NOTES FROM THE CIGAR GUY

What We Did

Saturday, Aug 1st – LARC **Saturday Night Cruise In** at SSB&T on US 281 in Marble Falls. We are getting good turnouts, and even though the days are hot, the shade and the breeze we have there makes for a pleasant evening. Getting a good number of “lookers”, and seemed to have found some new members this way!

Wednesday, August 5th – **Breakfast at Crazy Gals** in Burnet. Turnouts still pretty small, no problem “social distancing”, expect the participation will pick up as COVID19 begins to wind down.

Friday, August 7th – **Oldies But Goodies** Friday Night Cruise In on the Square in Llano. Richard is getting good turnouts for this and it is a pleasant evening in the shade and with the breeze. Easy to get something to eat on the Square if you wish to do so. Come on out for this!

Saturday, Aug 8th – LARC **Cruise to West Henley Boil Shack!** We had about 8 cars cruise to West Henley Boil Shack on US 290 East of Johnson City. They let us go around the building and park amongst the trees. Then we sat at the tables outside, under trees, and they came out to take our orders and serve. Service was good, and I think they really appreciated us coming out. It is a good cruise, and one we should do again. Perhaps next time, take the “scenic route” from Johnson City!

Wednesday, Aug 12th – **Breakfast at Crazy Gals** in Burnet. Still small crowds, but the service and the food is very good! Look forward to seeing more of you there!

Friday, August 14th – **Oldies But Goodies** Friday Night Cruise In on the Square in Llano. Another big turnout and great evening. Some people ate at Gios, and it was great as always!

Saturday, Aug 15th – About 8 LARC cars cruised to **Pistons on the Square** in Georgetown, the monthly Show and Shine at the Williamson County Courthouse Square. About 6 or 8 of us had breakfast at the Monument Café, a great start to a day! The square filled up quickly, with cars and trucks parked on most side streets as well. I'm sure there were over 100 cars, My first “up close and personal” with a 2020 Corvette!

Saturday, Aug 15th – LARC **Saturday Night Cruise in** at SSB&T on US 281 in Llano. Another big turnout! After seeing a 2020 Corvette at Georgetown, what should show up at our Cruise in but --- a 2020 Corvette. The gentleman (from Spicewood) had only taken delivery of it a few days before. SOME people are talking about a move from the current location of our Cruise In, but I won't consider that until we are having monthly meetings again and can discuss as a group. I'm happy where we are, but if there are better places that make more people happy, we will consider.

Wednesday, Aug 19th – **Breakfast at Crazy Gals** in Burnet. Still small crowds, but the service and the food is very good! Look forward to seeing more of you there!

Friday, Aug 21st – **Oldies But Goodies** Friday Night Cruise In on the Square in Llano. Another big turnout and great evening. Again, some people ate at Gios, and it was great as always!

Wednesday, Aug 26th – **Breakfast at Crazy Gals** in Burnet. Still small crowds, but the service and the food is very good! Look forward to seeing more of you there!

Thursday, Aug 27th – LARC **Cruise to Hondo's** On Main in Fredericksburg--We had about 6 cars join the cruise to Fredericksburg. Hondo's was doing their service in their outdoor venue, under the trees. It was very pleasant, and the service was very good! Food, as always there, will certainly fill you up! I had one of the burgers, and took half of it home! Frank and Judy led Mike and Sue on a different scenic route back via Round Mountain-Sandy Road. Have to ask them about that!

What's Coming Up

First, what will NOT happen:

No Friday Night Catfish at the Eagles in Granite Shoals until further notice.

This is in preparation for their show on the 5th. **No LARC Monthly Meeting** until further notice. **No Show and Shine** at Security State Bank and Trust **in Kingsland** on Labor Day Weekend. The only activity they gotten approval for is a Poker Run. **No Luckenrod Classic Car Show** in Fredericksburg on September 12th or the **GTACC Car Show and Charity Benefit** on September 26th, as noted in last month's Newsletter – the latest COVID19 fatalities!

Wednesday, Sept 2nd – **Breakfast at Crazy Gals** in Burnet. Hope to see more of you there, need to catch up on gossip! Of course, some of the regulars have cowardly escaped to cooler climes in Red River! LOL 7:30AM - ?

Saturday, Sept 5th – **Oldies But Goodies** Annual Car Show at Badu City Park in Llano (at the American Legion Hall). Come on out and enjoy the day! Lets try and help a fellow club! A caravan will leave Fuzzy's Corner at 7:30 AM on Saturday morning. The show is 8AM to 2PM.

Saturday, Sept 5th – If you miss the show in Llano, or if you still have energy after the show, come to LARC's **Saturday Night Cruise** in at SSB&T on US 281 in Marble Falls. Bring your chair, a beverage and mask (if desired) and some conversation! 5PM – 7PM.

Wednesday, Sept 9th – **Breakfast at Crazy Gals** in Burnet. Hope to see more of you there, need to catch up on gossip! Of course, some of the regulars are still cowardly escaping to cooler climes in Red River! LOL 7:30AM - ?

Friday, Sept 11th – **Oldies But Goodies** Cruise In on the Square in Llano. I try to get there "about" 5:30PM. They are getting good crowds there and some nice cars! I'm trying to make notes on what all Meatball owns! Maybe Rayford could invite Curtis Roys to drive a car in one day!

9/11—Ed Note: *Jim Rugg has put together a **SUPPORT POLICE/FIREFIGHTERS RALLY** to be held at the Burnet Courthouse Square on 9/11, from 5—7 PM. Bring your masks, and maybe we can bring a fancy car. Call Jim to find about the car situation*

Wednesday, Sept 16th – **Breakfast at Crazy Gals** in Burnet. Hope to see more of you there, need to catch up on gossip! Of course, some of the regulars are still escaping in cooler climes in Red River! LOL 7:30AM - ?

Saturday, Sept 19th – **Pistons on the Square**, Georgetown. This is a good cruise in, and with so little else being held, thought we would go back. If you didn't make it the first time, give it a try! I will lead a caravan from the Shell Station on the east side of Burnet on Hwy 29, leaving at 7:15AM. Their show actually starts at 7AM, and if you want to get there at that time, you are on your own.

Saturday, Sept 19th – If you missed **Pistons On The Square**, or if you still have energy after the cruise, come to LARC's **Saturday Night Cruise** in at SSB&T on US 281 in Llano. Bring your chair, a beverage and mask (if desired) and some conversation! 5PM – 7PM.

Wednesday, Sept 23rd – **Breakfast at Crazy Gals** in Burnet. Hope to see more of you there, need to catch up on gossip! Of course, some of the regulars are still escaping in cooler climes in Red River! LOL 7:30AM - ?

Thursday, Sept 24th – Back to West Henley! LARC **Cruise to West Henley Boil Shack**, 7792 US-290, Johnson City. This is on US 290, East of Johnson City, on the way to Dripping Springs. For those who wish to caravan, I will lead from the Exxon Station south of Marble Falls on US 281 (1406 US-281, Marble Falls), leaving the Exxon station at 11:30 AM. Upon arrival at the Shack, there is a road going on the left side of their building, usually with a chain guard. The chain should be down for us to go behind the building and find traffic cones to mark our parking. They have inside dining, as well as a great outside atmosphere. They have outside tables, but bring your chairs, you may want to sit out under the trees.

Wednesday, Sept 30th - Breakfast at Crazy Gals in Burnet. Hope to see more of you there, need to catch up on gossip! Of course, some of the regulars are still cowardly escaping to cooler climes in Red River! LOL 7:30AM - ?

EDITOR'S CORNER

Good golly!! Our intrepid Cigar Man (formerly referred to as West or Activity Director, has outdone himself. The Boil Shack, Pistons on the Square, Llano Show and Shine, Hondo's in Fredericksburg, Wednesday breakfasts at Crazy Gal's, all in August! The man has outdone himself!! Who sez that Covid-19 is going to keep us down and isolated in our houses? We know we can't live forever, and the risk of depression, isolation, and loneliness for some of us may in some cases outweigh the risk of the virus (at least in the opinion of your Fiendly Editor).

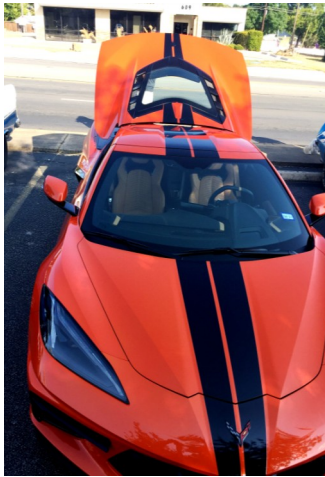

The majority of our membership is of the age group that is especially susceptible to the virus, and we hope that we are taking more than adequate precautions, such as adequate table spacing, the number of folks at table in enclosed spaces, hand sanitizers, masks, etc. Our activities are staying within the bounds set by Governor Abbot, and speaking personally, not being in close contact with younger age groups that may have the virus and show no symptoms—yet. Just say'in. West is doing an excellent job of filling the shoes that Mark walked in when he was Activity Director. As a Club, we are fortunate.
