NOTES FROM THE CIGAR GUY

Not a lot of things happening right now, with the Holiday Season and the Covid Decade, but I hope that everyone had a great Christmas and New Years! Things are slowly starting to open up with some activities coming back

What We Did (As of Feb. 10)

Wednesday, December 2nd: **Breakfast at Crazy Gals** in Burnet had a decent turnout.

Saturday, December 5th: The LARC **Saturday Night Cruise In** at SSB&T on US 281 in Marble Falls had a pretty good turnout. We keep getting a lot of spectators stop by, sometimes with their ride.

Wednesday, December 9th: **Breakfast at Crazy Gals** in Burnet continues to be a good place for some of us to keep in touch while having a good breakfast!

Wednesday, December 16th: Another good **Breakfast at Crazy Gals** in Burnet!

Saturday, December 19th: LARC **Saturday Night Cruise In** at SSB&T on US 281 in Burnet- Good times, good friends and good cigars (y'all wouldn't know about that!). Only had a few of us (3) showed up, but one drive-by brought a truck that was on sale, seems to feel he got a heck of a deal!

Wednesday, December 23rd: Another good **Breakfast at Crazy Gals** in Burnet! Good thing I always promise myself I'll diet "Wednesday", that way I always have a good excuse to break it!

Wednesday, December 30th: Another good **Breakfast at Crazy Gals** in Burnet! Threatening rain! Hope it holds off, we have another event this day!

Wednesday, December 30th: LARC (and a LOT of other people) did a "**Birthday Drive By**" for Mrs Brown's (Bob's mother) 95th birthday! The club had about 8-10 people there, some in their hobby cars, some in the ones they drive in the rain! Because--- We just BARELY slotted in between rain showers! There were police, fire trucks, ambulances and probably 50 cars in all! I'm not sure I'll ever get over the sight of Irl climbing into his truck thru the driver's window! Can you picture what view I had of him! I hope not! (Ed. Note: See the pictures in the recent Highland Lakes Bulletin – We're famous!!).

Wed, Jan 6th – Breakfast at Crazy Gals in Burnet was great as usual. Enjoyed the company!

Wed, Jan 13th – Breakfast at Crazy Gals in Burnet is always good, looking forward to seeing more of you soon!

Jan 15th – Mark and I visited the hot rod shop "Fast and Flashy", as I had met the owner a few weeks prior. Got there just as his partner was moving his stuff out and the partnership was dissolved! The owner will be continuing, and seems to have the resources to do so, he owns the entire property (across from The Damn Grill on US29) where the shop is. The ex partner has his own shop just down the road on 29 and it is in operation now. Mark and I will make a visit there also. The challenge Fast and Flashy will have is getting qualified, reliable staff. Of course, he claims he has that lined out, but only time will tell.

Sat, Jan 16th – LARC Saturday Night Cruise in at SSB&T on US 281 in Marble Falls had a small turnout, with only a few cars, but the weather was good and we had a number of people come by, including a woman in a Bentley and her two sons. The older son was helping the younger build his first car (something the mom said they each had to do to have a car). It was a Ford Ranger truck, with an LS conversion! Wasn't finished yet, but was looking good!

NOTES FROM THE CIGAR GUY—Cont'd

The older son was helping the younger build his first car (something the mom said they each had to do to have a car). It was a Ford Ranger truck, with an LS conversion! Wasn't finished yet, but was looking good!

Sun, Jan 17th—Four club cars were at the January Round Rock Show and Shine at Centennial Plaza in Round Rock. And there were probably about 100 cars there total, which I am told is a small turnout for them! A mix of classics, hot rods and modern muscle. LOTS of Mustangs, new and old. One group of about 8 or 10 came in together and left together, most with racing style graphics and numbers on them. Didn't get a chance to talk with them to learn more, but I'll probably get another chance! Mark was lobbying the whole place to come to the Air Show Car show and our LARC car show!

Wed, Jan 20th – Another breakfast at Crazy Gals in Burnet. Foods good, service is great. All it lacks are more LARC members joining in!

Wed, Jan 27th – Back to Crazy Gals in Burnet for breakfast. Damn, always tempted to have the pancakes and bacon!

Feb 3rd – Breakfast at Crazy Gals in Burnet, 7:30 AM – We are still enjoying a good breakfast and great companionship!

Feb 6th – LARC Saturday Night Cruise In at SSB&T on US 281 in Marble Falls. 5PM – whenever you are comfortable! Bring a chair and a beverage. I still plan on moving this to Burnet for a while to even it out amongst members, just haven't gotten it done yet.

What's Coming Up (as of Feb 10)

First, what will NOT happen:

- No Friday Night Catfish at the Eagles in Granite Shoals until further notice.
- No LARC Monthly Meeting until further notice.
- The Oldies But Goodies Friday Night Cruise in on the Square in Llano is still on hold. I checked with Richard, and he is going to wait until closer to the spring time change to start up again.

Feb 10th – Breakfast at Crazy Gals in Burnet, 7:30 AM - ? Come out and enjoy a good breakfast and better companionship!

Feb 13th – Cruise to West Henly Boil Shack (weather permitting) on US 290 E, east of Johnson City (7792 US 290, Johnson City). A caravan will leave the Exxon Station on the South side of Marble Falls on US 281 (1406 US 281, Marble Falls) at 11 AM on Saturday morning. Crawfish season opens on February 1! But don't worry, if you are not a crawfish fan, they have other good food! My email will ask for a response from those going in order that I can tell them how many of us to expect. **(CANCELLED DUE TO WEATHER)**

Feb 17th – Breakfast at Crazy Gals in Burnet, 7:30 AM - ? Come out and enjoy a good breakfast and better companionship!

Feb 20th– For those who want an early start to the day, the monthly Pistons On The Square in Georgetown is on the 20th. It is 8AM – 10 AM. Just a note, if you get there at 8 or later, you will be parking on a side street! LOTS of cars, LOTS of great cars!

Feb 24th – Breakfast at Crazy Gals in Burnet, 7:30 AM - ? Come out and enjoy a good breakfast and better companionship!

Feb 27th – Stephanie Nichols 10th Annual Car and Vintage Plane Show at Georgetown Municipal Airport in Georgetown. Later email will give caravan details. An email has been sent out about this event and has the details for pre-registration. This is a BIG show, with 400 or more cars in the past.

EVEN MORE NOTES FROM THE CIGAR GUY

Looking Ahead (Always looking for other events let me know of any you are aware of!)

Mar 20th - Bluebonnet Air Show and Car Show is re-scheduled for March 20, 2021. Look for some more promos to come out on this! Mark, where are some flyers, we could be handing those out now!

April 10th – LARC Annual Car Show in conjunction with the Burnet Bluebonnet Festival (Apr 9th – 11th). The car show will be at Hamilton Creek Park. More details to come!

Every Wednesday – Breakfast at Crazy Gals in Burnet on Hwy 29. What better way to start your day! 7:30 AM - ?

1st and 3rd Saturday of every month - LARC Saturday Night Cruise in at SSB&T on US 281 in Marble Falls. 5PM-7PM. I'll be rescheduling to have at least one of our cruise ins each month in Burnet. I need to get a notice onto some websites where these are advertised before I make the change, as we do have people drive in to this that are not in the club.

And **fair advanced notice**, if the Dripping Springs Show is a go this year (usually about Oktoberfest time), that's where THE CIGAR GUY is going!

As a last note, if anyone has an idea for a cruise or an event, let The Cigar Guy know!

EDITOR'S CORNER

Here we are, late again with the January-February issue of the Newsletter. We are still here, LARC has not gone away. It's somewhat dormant, so as a consequence, we have decided to combine both these months events into one issue, and will do so until the pace of events pick up, and we have been granted the "privilege" of being allowed free assemblage. Please practice methods to keep yourselves and others safe, and be tolerant of others who have been destabilized by the trauma of the current situation.

COVID-19 VACCINATIONS

I know a few of the LARC members have started getting their COVID-19 vaccinations. Some have not. Here is a contact number if you need help getting on the Baylor Scott and White waiting list. It is recommended that you try to get on more than one waiting list and take the first invitation you get to get the shots. Pat and I had our first one last Saturday. Good luck, and Regards,

Subject: COVID-19 Regional HUB Burnet Blanco, Llano and San Saba Counties

As I mentioned last week, Baylor Scott & White was recently named by the State Health Department as a Regional HUB for the COVID-19 vaccine. That HUB covers Burnet, Blanco, Llano and San Saba Counties. Baylor Scott & White has established this phone number to assist citizens that are unable to utilize the online portal / downloadable app to get registered to receive the vaccine. While the supply of vaccines is still limited, it is imperative to get registered to be notified when it is time for your place on the list. Even if you have registered with another provider, it is recommended to get registered with the Regional HUB. Please share this post and share the number with friends & family that do not have internet access or do not utilize the internet. **(844) 279-8222**

SHIRLEY ADWERS

Shirley Adwers, long-time LARC member and wife of Ron, passed away at home on December 29th, 2020. She was able to enjoy Christmas dinner with her extended family at Ron and Shirley's home, and passed peacefully after a long illness. The funeral was held at Clements-Wilcox in Burnet with many family members, friends and LARC folk attending. Burial was in the Tobey Cemetery.

Shirley was unique in that she had her very own club car, an original, lime-metallic green '68 Cougar Coupe, which she would occasionally let Ron drive, but only if he was a good boy. Mario and Amy Gonzales are currently pampering the car, since Shirley hadn't been able to drive the last few years. The car was a mate to Ron's metallic grey Cougar.
