ABOUT OUR PRESIDENT EMERITUS

As you know, Don Weber our former President, is still in extended recovery, and is improving. Barb, Don, and Kim are very grateful for all prayers that have been given. Please keep both of them, as well as Don Jr., in your continuing prayers.

Don is currently in the Granite Mesa recovery center, and still has restrictions on visitors, with only Barb and her daughter Kim currently allowed to see him.

ANOTHER COMBINED ISSUE

We're still in catch-up mode and combined all the stuff, including birthdays and anniversaries for both September and October. We hope we can go back to a regularly scheduled monthly basis, but your Fiendly Editor and his bride are going to be taking off for a few weeks in late October-early November.

NOTES FROM THE CIGAR GUY

What We Did (I think!)

Changes, changes! I'm **taking over the communications**, so leave poor Shirley alone! You will see emails from my Gmail account larc.cigarguy@gmail.com. Look in your junk/spam if you don't see them. The system says they are going out, so no excuses! LOL.

Wed, Sept 1st – LARC Weekly **Breakfast at Crazy Gals** in Burnet. Seems like each week, we are getting more people back. Good to see everyone, hope we keep the crowds up.!

Sat, Sept 4th– **Oatmeal Festival!** We had 5 cars show up for the Oatmeal Festival Parade (and one “hanger on”, who was welcome!). Great to see people there! Hope you threw out all your candy!

Sat, Sept 4th – LARC **Saturday Night Cruise In** at O'Reilly's in Burnet, think we had one car there that night, but days will be cooler soon!

Wed, Sept 8th – **Breakfast at Crazy Gals** in Burnet. Seems we can always get people to show up there! And why not, good food and good stories!

Sat, Sept 11th – LARC had six cars go up to the **Classics at the Classic** show in Lampasas. And won 6 Awards! Wow! The winners were Jim Rugg, George Dewitt, Bob Brown, Bill Hillin, Meatball and Chris Johnson with his Torino. It's a nice little show, hope we can get more people there next year!

Sat, Sept 11th – Ron Adwers and Bill Lehr went to the **Luckenrod Show**, and Ron won a Top 75 Award for his '40 Ford! Congratulations Ron, at that show, that is a real accomplishment!

Sun, Sept 12th – The **Liberty Hill Car Show** was attended by Mike and Sue, and they each got a Top 20 Award! Also participating were Tommy and Janet with two cars, Benny and Mary Ellen and Cliff and Keri Tyldesley. LARC was represented all over the area this weekend!

Tues, Sept 14th – **LARC Monthly Meeting**. Well, the Cigar Guy was down in Uvalde and I didn't get any notes from our President. Maybe our esteemed Editor can add something about the meeting!

Wed, Sept 15th – **Breakfast at Crazy Gals** in Burnet. Hope you all had a good time, I was in Uvalde having a great time!

Sat, Sept 18th – We had a good turnout for the **Blanco Classic Car Show**, and what a beautiful venue to have it in! LARC had 9 cars in a field of at least 135 cars. Mike Martin won a Top 25 Award for his '56 Chevy, and get this, Jack and Janet Nance won BEST OF SHOW for their Anglia Coca Cola Beast! Congratulations all!

Wed, Aug 11th – **Breakfast at Crazy Gals** in Burnet. Seems we can always get people to show up there! And why not, good food and good stories!

Wed, Aug 18th– **Breakfast at Crazy Gals** in Burnet. Well, we are still making it out for breakfast, but August has been really slow for other activities.

Sat, Sept 18th – LARC **Saturday Night Cruise In** at O'Reilly's in Burnet. I didn't get there, so don't know how many showed up. We will try to get that going again, days are cooler. And I've got to get my Firebird fixed (F100 will be after the 1st of the year). I've got MORE parts on order to fix a simple thing. Wish me luck!

NOTES FROM THE CIGAR GUY—Cont'd

Wed, Sept 22nd – **Breakfast at Crazy Gals** in Burnet. Hope you all had a good time. This time I was helping someone else with THEIR car. THAT car I got fixed! Go figure, I have two broken!

Sat, Sept 25th – We only had two cars show up for the **Evant Show**, and they only had about 30 total. I got a very late notice out (thanks Jack Nance!). Janet won Best Detailed Engine, and Benny and Mary Ellen were there and probably should have won something. I spoke with the organizer and now understand why they are so poorly advertised. I think we can give them some help for next year. This is a fun little event. You get a free breakfast taco, coffee, free lunch, a t-shirt, door prize tickets (I think they gave away a 55" flat screen tv as one prize!). Maybe next year folks!

Did anyone make it to the Comanche POW WOW and car show? Let us hear from you if you did!

Kenneth Bible, Owner
Electrical Technician

501 E. Main - P.O. Box 416
Johnson City, TX 78636

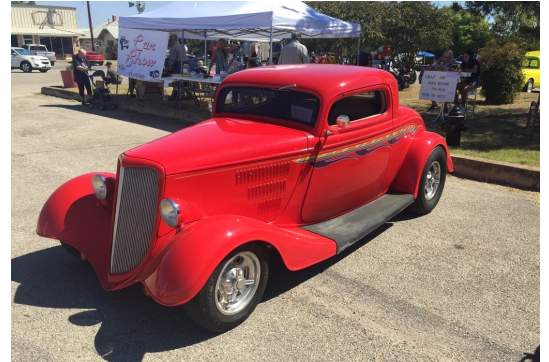

Kenneth Bible is still in business at his unique business location in Johnson City. He is a master repairman of starters, alternators and generators, and in my experience, is the best in the area. No one else in our area can, in my opinion, match his skills or depth of knowledge. Having had a bad experience with alternator repair at a certain repair shop in Marble Falls, Kenneth undid the poor repair made by that shop and got it right, then ran the alternator on his homemade "dynamometer". He is on 290, about 3 blocks west of 281 in Johnson City.

If you take an item there to be repaired, it may take some time, as he has a raft of jobs before yours, so be patient—it's worth the wait, and his shop is worth the visit. It reminds me of an old-time blacksmith shop. If I were younger, I'd like to be his apprentice. When he is gone, an irreplaceable talent will be lost.
