April, 2022

PRESIDENT'S NOTES

Howdy LARC members.

Hope everyone is enjoying this great weather and are in good health.

Good times were had at the Granite Fest. Some really nice cars were in attendance and everyone was in a great mood.

As most of you know, my son is getting married on the 8th. so I won't be at the Car Show. I know that as usual, everyone will show up and be ready to help in any way they can. So I thank y'all now.

There will be a Special Thank You pot luck dinner in the near future BUT if you don't be real helpful at the Car Show NO SECONDS FOR YOU and No DESSERT at all.

I will see you at the April meeting.

Past/Future Activities

West Pearson

See the Activity Report as published in the Newsletter

West distributed red roses to the ladies in recognition of International Women's Day—a worldwide recognition of the contribution of women—particularly those who consented to marry the guys in the club. In addition, West will plan the next ladies luncheon event at the Olive Garden. These events will be held every two months.

Old and New Business

Mark Kidd

Patsy Craven sent around a sign up sheet for Club merchandise.

In the interests of time and topic, old and new business topics were combined. The upcoming Blue-bonnet Car show was extensively discussed, including volunteers for parking the cars, and showing up at 7:00 AM. T-shirts will be available and at the time of this meeting, we had 65-70 sponsors. The ladies will do all the registration, and cookies and coffee will be available for the show attendees. The ladies will bake the cookies for sale.

Information Item

Thank you to: Barb Weber, Cheryl Hutson, and Janet Nance for all the goodies tonight, and thanks to Toni and Jim Kunkel for the coffee,

NOTES FROM THE CIGAR GUY

WHAT WE DID

In March, we got back into the rhythm of what we like to do – Get our cars out and show them off!

And eat!

Wed, Mar 2nd – **Breakfast at Crazy Gals** in Burnet got another good turnout! Food was great and so was the company!

Thur, Mar 3rd – **Ladies Luncheon at Noon Spoon** on Broadway in Marble Falls. While everyone enjoyed, Patsy says they may not do this every month. Watch for future announcements!

Thur, Mar 3rd – Meanwhile, about 10 of the men met at **Reverend Jim's** for lunch, beer and car talk! We MAY do this every month!

Fri, Mar 4th – **LARC Friday Night Catfish** at the Eagles in Granite Shoals had a good turnout, and the fish was great as always.

Sat, Mar 5th – The rain delayed **Stephanie Nichols Car And Vintage Aircraft** show was held on its rain date, and was BIG! It was reported there were around 5 hundred cars there! I believe LARC had about 10 cars there, and won TWO Top 20 Awards! Fantastic! **Vee and Bob Brown** won with Vee's beautiful Tri-Five Chevy, and **Chris Johnson** won with the beautiful Ford Torino GT that he restored! Congratulations!

Ron Adwers posted some great photos of the show on Facebook, but not before threatening to kick Mark Zuckerberg's ass!

Tues, Mar 8th – **LARC Monthly Meeting** at Marble Falls Library. Great turnout, and Mark Kidd gave an update on the LARC Bluebonnet Car Show.

Wed, Mar 9th – Another early **Breakfast at Crazy Gals** in Burnet. I get a lot of good info there. Some of it is even about cars and car shows!

Wed, Mar 16th – What else? **Breakfast at Crazy Gals** in Burnet!

Fri, Mar 18th – **LARC Friday Night Catfish** at the Eagles, in Granite Shoals is getting back into our schedule now, good times!

Sat, Mar 19th – LARC joined the **Cruise In at Wakepoint** in Kingsland, and WOW did a lot of cars show up! LARC had about 12 -15 cars, but another group, the "Central Texas Rolling Car Show" made an appearance, and at least another 100 cars made an appearance! Some just drove on to their next location, but many stopped in! Weather was great, beer was expensive! Next time, "bucket of beer" from the party deck! Ron Adwers took some more great photos, and Bob and Millie Deets danced their way into our hearts!

Sat, Mar 19th – With the time change back on Daylight Savings time, LARC re-started our **Saturday Night Cruise In** at O'Reilly's on US 281 in Burnet! Dang! Did we ever get a great turnout! Probably close to 30 cars! It was a great evening!

NOTES FROM THE CIGAR GUY—Cont'd

Wed, Mar 23rd – LARC **Breakfast at Crazy Gals** was great again. However, the ladies have gotten wise to us, and now they are ordering and getting their food first

As they should!

Thur, Mar 24th – LARC **Monthly Dinner** was held at Jardin Corona. Despite the Manager forgetting to put us on the schedule, they did a very good job of handling our group, about 28 people. Food was great!

Sat, Mar 26th – LARC really had a good turnout at **Granite Fest** in Granite Shoals! The event was a success with at least 111 cars, and LARC had (I believe) 17 cars there. When the awards came up – BINGO – LARC won 7 of the 20 “Top 20” awards, and also “Best of Show”! I believe the **Best of Show** was Jack Nance with his **Coca Cola Anglia**, but there is no photographic proof of that! Our other awardees were **Cheryl and Harold Hutson** (Studebaker), **Rayford Reese** (highly customized El Camino), **Millie and Bob Deets** (Mercury), **Bob Brown** (GTO), **Meatball** (something!), **Chris Johnson** (Torino GT), **Bill Hillin** (Little Red). Congratulations to all!

ACTIVE AGAIN!!

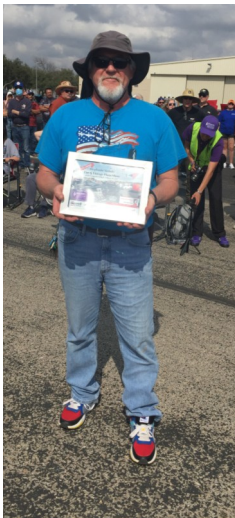

Finally, the winter and Covid doldrums are over, with the latter gone (we hope) for good. Our car show was great and thanks for all the members who worked hard to make it work. The beautiful cars were admired by many festival goers, and our putting on the car show gives the Bluebonnet Festival an even greater menu of attractions. It's also good for our hobby/passion, because it creates interest among younger folk, who need to carry on our tradition of having, driving, and working on interesting cars.

It's so good to be able to show pictures of activities that we participated in. Between our official photogetter Ron Adwers and our Cigar Guy, we have a wealth of pictures—in fact too many to include all, so your Fiendly Editor has to pick and choose because of limited space and bandwidth restrictions when e-mailed to y'all.
