May, 2022

## PRESIDENT'S NOTES

Howdy LARC members.

Our esteemed Editor wants to get the Newsletter out on time, so I'm going to do my part. Hope everyone is healthy and happy.

Thanks to Don and Barb Weber for all their work in making the Thank You dinner as great as it always is. Also, a thank you to all that helped set up and after, when I know y'all were completely stuffed and wantin' a nap helped clean up. Great volunteers are hard to find.

June is coming up so think about new Club Officers. Don't be afraid to run, it's not difficult and the money is GREAT. Oh wait a minute, no never mind...Not much else to write about, so I'll say bye bye.

Love y'all

Mark

PS: we need some RAIN badly.

## **Old Business**

**Mark Kidd**

Our Bluebonnet Car Show had 166 cars registered. Mark thanked everyone who helped at the car show. Overall, the parking situation went well, but a plan is needed to distribute the cars over the sloping hillside, without being damaged. Bob Deets suggested that it may be necessary to scale back the size of the show to fit the available parking spaces, and extensive discussion followed concerning future shows.

---

## **New Business**

**Mark Kidd**

Glenn Heimbigner told of a person whose husband died and has 27-plus cars that will be put up for sale. The wife will be preparing a list of the cars to be sold with their prices.

Bob Deets introduced Jay Brown, the designer of our car show posters and shirts, and he made a motion that Jay be made a member of the club. Mark Kidd seconded the motion and it was approved.

## NOTES FROM THE CIGAR GUY

### WHAT WE DID

April was here, and things are really starting to feel normal again! Except for it costing me \$80 to gas up my car!

**Wed, Mar 30th** – LARC **Breakfast at Crazy Gals** Restaurant in Burnet. Great turnout as always!

**Wed, Apr 1<sup>st</sup>** – Small turnout for **Friday Night Catfish** at The Eagles in Granite Shoals. Food was good anyway!

**Sat, Apr 2<sup>nd</sup>** – LARC **Saturday Night Cruise In** at O'Reily's in Burnet has started again, and we had a great turnout with about 28 cars! Almost ran all the customers away! Had a good number of "spectators" stop by for the cars also!

**Sat, Apr 5<sup>th</sup>** – Had a small turnout for **Men's Chow at Reverend Jims**. No problem the beer was cold! Will try to get the notice out quicker.

**Wed, Apr 6<sup>th</sup>** – Another early **Breakfast at Crazy Gals** in Burnet. I get a lot of good info there. Some of it is even about cars and car shows!

**Sat, Apr 9<sup>th</sup>** – LARC **Bluebonnet Car Show** was a smashing success! Thanks to EVERYONE who helped put this on! We had 166 cars registered. Thanks to Eric from John Force Racing for bringing us some auction items!

**Tues, Apr 12<sup>th</sup>** – LARC **Monthly Meeting** was held at Marble Falls Library. We had about 32 in attendance. Mark was back from Wakifornia and posed the question: Do we want to continue to have a car show? Serious question, but a little more thought needs to be had before this can be discussed seriously.

**Wed, Apr 13<sup>th</sup>** – What else? **Breakfast at Crazy Gals** in Burnet!

**Sat, Apr 16<sup>th</sup>** – Jack and Janet Nance took the Coca Cola Anglia to the **Car Show in Brady**, and took "Best In Show" – again!! Not getting boring is it Jack?

**Wed, Apr 20<sup>th</sup>** – LARC **Breakfast at Crazy Gals** was great again. And its almost daylight as I drive over!

**Sat, Apr 23<sup>rd</sup>** – About 8-10 cars made the cruise to "**Classic Cars and Diners**" at Verena in Leander to support this Senior Living Facility. They put in a good show for the residents.

**Wed, Apr 27<sup>th</sup>** – LARC **Breakfast at Crazy Gals** was great again. Small turnout today as several people are on their way to the Pate Swap Meet. Carlton gave a good report on the New Braunfels Swap Meet.

**Apr 28<sup>th</sup> – Apr 30<sup>th</sup>** – **Pate Swap Meet**, hoping to get some feedback on that.

### **ON THE ROAD AGAIN!!**

Your Fiendly Editor and his bride will be hittin' the road in late May to attend the graduation of our niece's daughter (my grandniece?) in Colorado Springs at the Air Force Academy. She evidently kicked the curriculum's butt (aerospace and aeronautical engineering) - doing very well and liking it very much, despite the rigors of one of the most demanding and high quality engineering courses in this country (where else but at one of the U.S. Military Academies?).

She will receive her Commission as a Second Lieutenant in the U.S. Space Force (one of the first) and has been assigned to VanDenBerg A.F.B. in California (probably one of the few sane places in the entire state), and will be playing with some really neat big toys that go WHOOSH!!, and spit out lots of fire.

As a result, the June issue of the Newsletter may not come out until after the June Meeting, so there may be no May minutes to review at the meeting—Just sayin'. If we get back in time, your editor will do his best to get it out on a timely basis, but graduation and a little vacation have to get done first .

Either way, keep those event pictures, presidential notes and activity reports flowing in. The issues can't survive without them.
