## PRESIDENTIAL COMMENTS

Howdy LARC Members:

I hope you're not overheating in this Mild Texas Summer... Well, I'm back, I hope that's a good thing in your mind.

My main goal is for all of us to have a great time together, whether it's Cruise Ins, Car Shows, monthly dinners and especially monthly meetings. As I've said before, we are a great group of people and this should be easy. However, there are times when we fail to show love and respect for one another. If we fail too many times, then maybe this isn't the Club for you.

My other goal is helping children through our Annual Car Show Charity Programs, I hope these are your goals also.

Please stay cool and take a few moments to think about our past members and the ones who are infirmed.

As always, your President,

Mark
